

1 Q. All right. Now, did you describe for the police how
2 for a very short period of time, were you able to see
3 anything underneath the hoodie?

4 A. I vaguely recall that I couldn't really, you know,
5 really see what he looked like --

6 Q. Okay.

7 A. -- per se or whatever, you know what I'm saying.

8 Q. All right. But you saw a person behind the hoodie?

9 A. Yes, sir, I did.

10 Q. And could you tell the color of that person's skin?

11 A. Brown skin, medium brown skin, something like that.

12 Q. All right. And could you see the person's eyes?

13 A. No, sir.

14 Q. Okay. Could you see the person's nose?

15 A. No, sir.

16 Q. But you could see the skin on their face?

17 A. Yes, sir. You could see their nose, the silhouette.

18 Q. All right. So you did see the profile of his nose?

19 A. Yes, sir, a little bit.

20 Q. And although the person had a hoodie over his head, the
21 sun was shining brightly that day, right?

22 A. Yes, sir.

23 Q. And did the hoodie -- do you recall if that hoodie was
24 on the person's head the entire time or had it fallen off at
25 some point while you were looking at him?
